

Lucky Day

Shaggy

{Straight up right you know
Ladies
I love you though
If your man ain't takin' care of your girl don't worry
I'm exactly whatcha lookin' for
One-eight hundred Mr. Lovah
Dig that
Shaggy} Are you looking for a man to make you lose control?
A man who when you need a friend will fill that roll
Be a life blanket when you're feeling cool
Girlfriend, this is your lucky day They don't call me Mr. Lover 'cause I like ice cream
I am Mr. Lover 'cause I fulfill dreams
When last your man made you moan and scream?
Girlfriend this is your lucky day Well, who's gonna take the heat?
A lot of fellows fuckin' now, they don't show indeed
But have you ever wondered, why a woman will cheat
It takes a real man to make a woman complete
Fellahs out there acting like their on speed
But slower can be better if you wanna succeed
Listen to your woman and ask what she need
Sometimes it can be better if you follow her lead Are you looking for a man to make you lose control?
A man who when you need a friend will fill that roll
Be a life blanket when you're feeling cool
Girlfriend this is your lucky day They don't call me Mr. Lover 'cause I like ice cream
I am Mr. Lover 'cause I fulfill dreams
When last your man made you moan and scream?
Girlfriend this is your lucky day You have a man
Well all that he's known
So if he's all of that
Then why are you on my phone?
Could it be that deep down you're feeling all alone?
Something's telling me things aren't really great at home You say you got a man
Well let's see what that means
Let's see, he pays your bills, he buys your stuff, you keep him clean
What does he tell you stuff to make you feel like a teen?
It takes more than money girl to feel like a queen Are you looking for a man to make you lose control?
A man who when you need a friend will fill that roll
Be a life blanket when you're feeling cool
Girlfriend this is your lucky day They don't call me Mr. Lover 'cause I like ice cream

I am Mr. Lover 'cause I fulfill dreams
When last your man made you moan and scream?
Girlfriend this is your lucky day Love making should be fun
The lady should be satisfied before you're up and done
Ladies if your man is one who love to jump the gun
Let him go and call me later
Real lover show you how it's done girl Are you looking for a man to make you lose control?
A man who when you need a friend will fill that roll
Be a life blanket when you're feeling cool
Girlfriend this is your lucky day They don't call me Mr. Lover 'cause I like ice cream
I am Mr. Lover 'cause I fulfill dreams
When last your man made you moan and scream?
Girlfriend this is your lucky day { Chat 'bout
Ladies
If your man don't deal with you right, call me
I'll give you, what your missin' you know
You no haffa worry
You need a real Jamaican bamboo yaa dig that

A man who when you need a friend will fill that roll
