

Woke Up This Morning (My Baby She Was Gone)

B.B. King

Woke up this morning, my baby was gone
Woke up this morning, my baby was gone
I felt so bad, my baby's gone I ain't got nobody stayin' home with me
I ain't got nobody stayin' home with me
My baby she's gone, I'm in misery Well baby, I'm all alone
Yeah, baby, I'm all alone
I ain't no lovin'
Since my baby's been gone
Oh, lord All alone
Oh baby, I'm all alone
I had no lovin'
Since my baby's been gone, everybody
