

Rock Me Gently

Sherbet

Come on!

I donâ€™t know just where Iâ€™ve been
Guess Iâ€™ve been fooling myself
Lost my way but Iâ€™m back again
Iâ€™ve been outside and in

Ooo baby (Ooo Ooo Ooo)
When you let me go I was free
But freedom ainâ€™t what
I thought it would be

I thought I had no need for love
Couldnâ€™t see I was blind
When half of me walked out the door
The other stayed behind

Ooo baby (Ooo Ooo Ooo)
Please take me back
I was wrong
Iâ€™ve lived without your love for so long

So rock me gently ahahah
Roll me slowly

I canâ€™t explain just
What Iâ€™ve been going through (so rock me gently)
I canâ€™t explain how
Much I needed you (rock me gently â€œ OooOooOoo)
Yeah, yeah,yeah

(Solo)

Now Iâ€™m back and Iâ€™m here to stay
Youâ€™ve got my feet on the ground
Iâ€™m so glad that you love me still
Iâ€™ve been and Iâ€™m found

When you let me go
I was free

I lived too long without your love
But you took me back
Though I was wrong
â€~Cause freedom just ainâ€™t what
I thought it would be

Mmm so rock me gently ahaha
Roll me slowly, yeah

Rock me gently, mmm, yeah, yeah
Rock me gently, Oo ahh, yeah
