

Better Than This

Charlotte Sometimes

I said, "Don't go"
I said, "Don't leave"
But you wasted all my time
Pretending you were mineIt's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than thisIt's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this
So I said, "Screw it, eh, eh"I said, "Hold on"
You said, "Something's wrong"
And you wasted all your lies
I thought we were fineIt's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than thisIt's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than thisAnd it's been a while
I'm still on fire, I'm not tiring
You're just a liar
I'm just a buyer of your badnessIt's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than thisIt's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no betterIt's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than thisIt's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than thisIt ain't getting better, better than this
It ain't getting better, better than this
It ain't getting better, better than this
It ain't getting better, better than thisBetter, better than this
