Better Than This

Charlotte Sometimes

I said, "Don't go" I said, "Don't leave" But you wasted all my time Pretending you were mineIt's a let down, heartbreak Fast breath, slow ache It ain't gettin' no better than this It's a let down, heartbreak Fast breath, slow ache It ain't gettin' no better than this So I said, "Screw it, eh, eh"I said, "Hold on" You said, "Something's wrong" And you wasted all your lies I thought we were fineIt's a let down, heartbreak Fast breath, slow ache It ain't gettin' no better than this It's a let down, heartbreak Fast breath, slow ache It ain't gettin' no better than this And it's been a while I'm still on fire, I'm not tiring You're just a liar I'm just a buyer of your badnessIt's a let down, heartbreak Fast breath, slow ache It ain't gettin' no better than this It's a let down, heartbreak Fast breath, slow ache It ain't gettin' no betterIt's a let down, heartbreak Fast breath, slow ache It ain't gettin' no better than this It's a let down, heartbreak Fast breath, slow ache It ain't gettin' no better than this It ain't getting better, better than this It ain't getting better, better than this
