Soul Boy

The Blue Nile

Let me be your soul boy
Let me be your soul
There's been no-one like you
Trusted and true
For so long
And I just want to be loved by you
And when I'm really loved by you
I'll be your soul boy
Let me be your soul boy
Let me be the one
There's been no-one like you
Trusted and true
For so long
And I just want to be loved by you
And when I'm really loved by you
I'll be your soul boy
Take me as I am girl (???? you)
And hold me while you can (can you see me)
There's not a woman in the world (can you
Can love me better than you do (???? you)
Take me as I am
Like a soul boy
Soul Boy
I don't want to be with no-one else
I don't want to kiss no-one else
I want to be your soul boy
No more fighting and no more leaving
It ain't exciting and I quit believing
I'm a soul boy
Yeah
Soul boy
Yeah
I'm a soul boy
Soul boy
