Shout (C2C Remix)

Bernhoft

Shout, shout, let it all out
These are the things i can do without
Come on, I'm talking to you, come on
Shout, shout, let it all out
These are the things i can do without
Come on, I'm talking to you, come onIn violent times
You shouldn't have to sell your soul
In black and white
They really really ought to know
Those one track minds
That took you for a working boy
Kiss them, goodbye
You shouldn't have to jump for joy
You shouldn't have to jump for joy
Shout, shout, let it all out
These are the things i can do without
Come on, i'm talking to you, come on
They gave you life
And in return you gave them hell
As cold as ice
I hope we live to tell the tale
I hope we live to tell the taleShout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on
Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on
Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on
And when you've taken down your guard
If I could change your mind
I'd really love to break your heart
I'd really love to break your heartShout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on
Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on
