

# Smoke Signals

## Hotel Garuda

The palms are burning  
Give way into the sea  
Coast lines of yearning  
From you to me  
From you to me

I stretch out both arms  
You're farther than you seem  
Coast lines are yearning  
From you to me  
From you to me

Ritual sacrifice  
You risk this paradise  
Gave you my years  
No space for me  
No space for me

Smoke signals in the sky  
Ignore the warning signs  
My deepest fears  
No space for me  
No space for me

Two hearted at times  
Investments on the side  
Distance is growing  
Nowhere to hide  
Nowhere to hide

We sway like willows  
Whisper all the lies  
Are you neglecting  
What's inside  
What's inside

Ritual Sacrifice  
Your risk this paradise  
Gave you my years  
No space for me

No space for me

Smoke signals in the sky  
Ignore the warning signs

My deepest fears

No space for me

No space for me

No space for me

Ritual sacrifice

You risk this paradise

Gave you my years

No space for me

No space for me

Smoke signals in the sky  
Ignore the warning signs

My deepest fears

No space for me

No space for me
