

Too Close For Comfort

George St. Kitts

Be wise, be fair, be sure, be there
Behave, beware
Be wise, be smart, behave, my heart
Don?t upset your cart when she?s so close
Be soft, be sweet, but be discreet
Don?t go off your feet, she?s too close for comfort
Too close, too close for comfort, no, not again
Too close, too close to know, just when to say, "When"
Be firm, be fair, be sure, beware
On your guard, take care, while there?s such temptation
One thing leads to another
Too late to run for cover
She?s much too close for comfort
Be wise, be fair, be sure, be there
Put on your old thinking cap, boy
'Cause if you don't look out
You will find out that you are much too
You're too close for comfort
You're heading for a mishap, boy
The first thing that you know
She will have you up that old tree
She's too close for comfort
Too close, so close
Too close
Be firm and be fair, be absolutely sure, beware
On your guard, take care, when there?s such temptation
One thing leads to another
Too late to run for cover
Much too, too close for comfort now
One thing leads to another
Too late to run for cover
Much too, too close for comfort now
One thing
One thing leads to another
Much too, too close for comfort now
Be wise, be fair, be sure, be there
Behave, beware
She?s too close, too close for comfort now
