

# Attitude

## Dannii Minogue

Brothers and sisters, yeah  
Got no kicking like this, boy  
Brothers and sisters  
One, two, three, swing it  
Talking 'bout A double T I T U D E  
It's the groove that gets you next to me  
When you're rocking and you're clocking  
With a girl named D  
Turn it up, the nasty beat  
Get into it, move your feet  
It's the fashion with attraction  
The attitude so swing it for me  
Attitude, just do it, do it  
Do it like this attitude, attitude  
Attitude, brothers and sisters  
Here we go, here we go  
I don't play no games  
And don't do drugs, no  
Don't do things  
I will feel guilty for, no  
I'm just into having a good time  
You can keep that attitude  
I'll keep mine  
If you want to groove me  
Brothers and sisters  
Pick up on this  
Show me your best  
Try and pass the test  
If you want to move me  
Brothers and sisters  
Pick up on this, play it cool  
Do it smooth, yo, bust a move  
Bothers and sisters  
Attitude, brothers and sisters  
Just do it with attitude  
Attitude, brothers and sisters  
One, two, one, two, here  
Here is something to think about  
I don't have time to scream or shout

I'm just telling you what to do  
When you've lost your cool  
Show them that you ain't no joke  
Keep the faith and then you'll smoke them  
On the positive tip, come on, girl  
Now play  
Groove, attitude, attitude  
Brothers and sisters  
Groove, here we go, groove  
Groove, here we go, groove  
Brothers and sisters  
Groove, here we go, do it, groove  
Groove, do it, groove, do it, do it

If you want to groove me  
Brothers and sisters  
Pick up on this  
Show me your best  
Show me you're the best  
Try and pass the test  
If you want to move me  
Brothers and sisters  
Pick up on this, play it cool  
Do it smooth, yo, bust a move  
Attitude, just do it, do it  
Do it, do it like this, attitude  
Attitude, brothers and sisters, attitude  
It's time, time, time to get smooth  
If you want to  
Attitude it's the way you dress, smooth  
Some people use it just to impress  
Not me, I use it positively, smooth  
To keep me moving to the master beat  
It's time to break it down together, smooth  
Moving your body, your feet  
Or whatever if you want to  
Do it with the attitude, smooth  
Now it's time to get smooth  
Do it like this, attitude  
Do it, do it, do it  
Just do it, do it, do it, do it  
Attitude, attitude  
Swing it, swing it, swing  
If you want to move me  
Brothers and sisters, yeah, yeah

Swing it, yeah, yeah, yeah, yeah  
Swing it, hit me, yeah, yeah  
Yeah, yeah, swing it  
If you want to move me  
Swing it, brothers and sisters  
Swing it, hit me, yeah, yeah  
Yeah, yeah, swing it, yeah, yeah  
Swing it, swing it, swing, yeah, yeah  
Attitude, pick up on this  
Just do it with attitude  
Attitude, pick up on this  
Swing it, swing it, swing, attitude  
Do it like, do it, do it like  
Do it like this, attitude  
Do it like, brothers and sisters  
Swing it, swing it, swing  
Do it, do it, do it like this attitude  
Attitude, brothers and sisters  
Attitude, attitude
