It's All My Fault (But I'm Not Sorry)

Megan Slankard

Can I help it if I think you're evil?
Can you stop it if you really are?
Can you stop me if I think you're perfect?
The echo of an argument dies in the carOhh, yeah, shut up and drive, yeah, yeah, yeahIt's all my fault
Don't go blaming no one else
Least of all your perfect self
Why? Because I'm not invincibleAll my fault but don't you dare agree
Don't go writin' to the tabloids
Or your homeboys
Least of all to me, yeah, yeah, yeah, yeah, yeahIt's all my fault but I'm not sorry
Just a freaky little twist to my freakin' little story
It's all my fault, just a had you worried
I'm not sorry, I'm not sorryIt's all my fault that, make you nervous
I do it so damn well, you'd think I do it on purpose
It's all my fault but I'm not worried
It's not my fault, I'm not invincible, yeahWe're sitting in the silence like an easy chair
Sitting in the comfort of the red light's glow
You're laughin' at my back, I'm laughin' in your face
I'm laughin' like a fool and that's for sureAhh, shut up and flyIt's all my fault
Don't go blaming no one else
Least of all your perfect self
Why? 'Cause I'm not invincibleAll my fault but don't you dare agree
Don't go writing to the Weekend
Or your girlfriends
And least of all to me, yeah, yeah, yeah, yeah, yeahIt's all my fault but I'm not sorry
It's just a freakin' little twist to my freakin' little story
It's all my fault that I had you worried
I'm not sorry, I'm not sorryIt's all my fault that I make you nervous
I do it so damn well, you'd think I do it on purpose
It's all my fault that had you worried
Not my fault, I'm not invincibleBecause I laugh sometimes
And sometimes I cry
Sometimes I sleep, sometimes I die
I die for you, ooh, ohh, alrightIt's all my fault but I'm not sorry
It's just a freaky little twist to my freaky little story
It's all my fault that had you worried
I'm not sorry, I'm not sorryIt's all my fault but I'm not crazy
Yeah I take you over slowly with my tricky little army
It's all my fault that I make things scary

It's not my fault, I'm not invincibleOhh, yeah, it's all my fault but I'm not sorry
