Dry Eyes Cry

Funny Money

(Steve Whiteman, Terry Miller)
You tell me you're so sorry
But it's the same old story
Another chapter from your book of fairytales
Can't expect me to believe
A heart that beats to deceive
The path to heaven's paved with good intentions
She never sheds a tear
When her dry eyes cry
Looking so sincere
When her dry eyes lie
You tell me you're so lonely
You say you still love me only
I hear your words but your eyes gonna tell on you
Well someday it won't be long
You'll look around and I'll be gone
The road to hell is paved with false confessions
She never sheds a tear
When he dry eyes cry
Looking so sincere
When her dry eyes lie
Oh - When her dry eyes cry
Oh - When her dry eyes lie
Cry baby cry
Why baby why
She never sheds a tear
When her dry eyes cry
Looking so sincere
When her dry eyes lie
Oh - When her dry eyes cry
Oh - When her dry eyes lie
Never sheds a tear
When her dry eyes cry
When her dry eyes cry
Cry baby cry
