Hit Me

The Whigs

I've been playing games
The disguise fits me.
I'll take the dreams, the will
That I can walk through it.I know what I want,
I know what I need
I'll take a little more,
More than you might think
It's just part of the point (hit me)
It's just what I see (hit me)
I took a little more (hit me)
More than you might think, yeah!
Now they'll do me up
To break me down gently.
I'll take the quiet life,
The balling chain, yeah!I know what I want,
I know what I need
I'll take a little more,
More than you might think
It's just part of the point (hit me)
It's just what I see (hit me)
I took a little more (hit me)
More than you might think, yeah!
You're playing my game
You're playing my game
You're playing my game
For what?
Won't you play my game for what?
Won't you play my game for what?
Won't you play my game?
You're playing my game
You're playing my game
You're playing my game
For what?
Won't you play my game for what?
Won't you play my game for what?
Won't you play my game?I know what I want,
I know what I need
I'll take a little more,
More than you might think

It's just part of the point (hit me)
It's just what I see (hit me)
I took a little more (hit me)
More than you might think, yeah!Hit me
So hard!
Hit me!
So hard!
Hit me so hard!
Hit me so hard!
Hit me so hard!
