My Reptile Friend

Shiny Toy Guns

Verse 1:
I remember life as a dream before a memory
Where the earth was a wider space, a warmer place I lived
When i closed my eyes, the monsters weren't the enemy
No fear from an angry face, a great escape I livedChorus:
Crying with dinosaurs, 'cause i don't want them to leave
The planters, and carnivores, soon their world will end
Goodbye my reptile friendVerse 2:
I can see the signs, it won't be long till fate awakens me
My thoughts in the sinking sand, and time demands, my will
Their ancient eyes, searching for a remedy, running from a falling star
I'd lose it all to save youChorus:
Crying with dinosaurs, 'cause i don't want them to leave
The planters and carnivores, soon their world will end
Crying with dinosaurs, 'cause i don't want them to leave
The fires and asteroids will soon make war with themOutro:
The lost will find your bones beneath the sand
But they'll never find the world that we pretend
Goodbye my reptile friend
Goodbye my reptile friend
Goodbye
Goodbye
My reptile friend
