Not Stand Silent

Newsboys

We live a life day by day
A walk of faith, not by sight
We generate, permeate
Close the gate on the dirty devil
The day will come when we are told
If we are righteous by the Lord of old
A sacrifice complete in Him
We're here today but we're gone tomorrow
We will not be silent
We will not stand alone
We will not be silent
We will not stand alone
All God's people hand in hand
Divided we fall, united we stand
Your Kingdom come, Thy will be done
Here on earth, like it is in heaven
Heaven and earth will pass away
But Your Word will stand forever
Eternal life is in our reach
Eternal hell is not that funny
We will not be silent
We will not stand alone
We will not be silent
We will not stand alone
