## Goldfinger

Julian Your my little Bee  
You're the on for me  
My Julian  
You're my baby boy  
You're my pride and joy  
My Julian, My Julian  
Where ever I may go

You will always know  
You're my Julian  
You're my baby boy  
You're my pride and joy  
My Julian  
Yeah my Julian  
I love you big boy  
Goodnight
