Cause I'm an OG just like bon B
RIP to pimp C rest in peace
CEO Gucci call me Easy fuckin E
Glock forty in my ree's Ima keep it G
Half a pound in my briefs cause I like to chief
Im discreet but I'll serve you right in front the street
And you a liar sayin the FBI is watching me
I'm a mob guy you think I come from Italy
I got a 458 and its SicilianHook
I'm tone round a couple
2 Bad bitches thick mothafuckas
I got cash with me
Tone round a duffle
I got a strap with me
Tint with the mufflers
Who wanna strap with me
Gucci brought the muscle
I don't tussle with these niggas I'm a hustler
I got them bands on me
Tone ya too long bruh
Gotta man up it's time for you to stand up
Run up ya bands wit meIf ya girl chose the plug she's a real smart girl
You a strug I'm a plug it's a real cruel world
She's a real cool girl
Blowin strong with the goons
Baddest bitch in the room but she wouldn't clip her wool
I'm sippin rum with ya mom fresher than ya Hittin the prom
Imma fuck her till she cum
Get her sprung hit the bong
She in love with my swag I'm in love with her tongue

Fell in love with her esophagus I swear her head the bomb
If I stood on all my money I'd be taller than Lebron
And my top keep dropping back just like the hairline on Lebron
Call me uncle when you see me cause I used to fuck your aunt
Had a threesome with your mom now you look just like my son
