Rush Of Fools

I've been here before
Now, here I am again
Standing at the door
Praying You'll let me back in To label me
A prodigal would be
Only scratching the surface
Of who I've been known to be Turn me around, pick me up
Undo what I've become
Bring me back to the place
Of forgiveness and grace
I need You, I need Your help
I can't do this myself
You're the only one
Who can undo what I've become I focused on the score
But I could never win
Trying to ignore
A life of hiding my sin To label me
A hypocrite would be
Only scratching the surface
Of who I've been known to be Turn me around, pick me up
Undo what I've become
Bring me back to the place
Of forgiveness and grace
I need You, I need Your help
I can't do this myself
You're the only one
Who can undo what I've become Make every step lead me back to
The sovereign way that You Turn me around, pick me up
Undo what I've become
Bring me back to the place
Of forgiveness and grace
I need You, I need Your help
I can't do this myself
You're the only one who can undo
You are the only one who can undo
You're the only one who can undo
What I've become
