Sixpack

Superbutt

Lets load the car up
I got a bag of ice
I got a six pack
And I don't wanna go backIt's pretty hot out
It's only 50 miles
I wanna cool out
And get wastedIt's so hot in this tiny room
So, so, so, so, so, so, so, so, hotIt's so hot in this tiny room
So, so, so, so, so, so, so, so, hot
