## **Pass It Around**

## **The Donnas**

Well, it's only Thursday and it's no one's birthday

But we're goin' out for the night

Make a few stops, avoid the traffic cops

Pick up some whiskey and some dynamiteBut there's always someone

Who's gotta spoil it for the rest of the gang

You're such a little Bogart

And I'm sorry but you just can't hangWhy don't you pass it around?

Don't bring the party down

If you don't pass it around

We'll run you right outta this townWell, it's already Friday, gonna do it my way

Everything's ready to go

But later on all the beer is gone

Downed by some guys I don't even knowBut there's always someone

Who's gotta spoil it for the rest of the gang

You're such a little Bogart

And I'm sorry but you just can't hangWhy don't you pass it around?

Don't bring the party down

If you don't pass it around

We'll run you right outta this townWhy don't you pass it around?

Don't bring the party down

If you don't pass it around

We'll run you right outta this townPass that glass, pass it around

Pass that glass, pass it around

Pass that glass, pass it around

Pass it around, don't bring the party downSaturday night, don't really wanna fight

You get none if you didn't pay

Tell your little brother to go buy another

And give me back my TankerayBut there's always someone

Who's gotta spoil for the rest of the gang

You're such a little Bogart

And I'm sorry but you just can't hangWhy don't you pass it around?

Don't bring the party down

If you don't pass it around

We'll run you right outta this town

Are you pickin' up what I'm putting down? Why don't you pass it around?

Don't bring the party down

If you don't pass it around

We'll run you right outta this town
