Good Enough

Icey Stanley

Do you know what I donâ€™t even need this
You never have time for me,
you never even answer my calls
Iâ€™m so done with everything so do with you
You know what fuck this
Like who the fuck is this Rebecca ?

What you actually mad about ?

Where to start think Iâ€™m done with braking hearts
You Feel like the only thatâ€™s taking part
Still think we were built to last
Our relationship right up
You know I know you like it with the lights off
I feel like Iâ€™m doing to much on this road to paradise been to tough

Oh well , oh well
How you doin so well ,
how you doin so well , so well
Well your doin well fell ,
Well your doin well fell ,

We had fun and good times
Canâ€™t lie your a thought on my mind,
Loves blind so you canâ€™t see me
Heart still cold so you donâ€™t wanna chill with me

I pull
you push
I gained
You took our love so strong,
Now itâ€™s over so long , yeah so long

Feel like whatever I say ,wonâ€™t be good enough
Feel like whatever I say ,Wonâ€™t be good enough
I feel like whatever I say ,wonâ€™t be good enough
I feel like whatever I say ,wonâ€™t be good enough

Ahh, Itâ€™s kinda mad how things change
You never told me that you feel pain

You already know Iâ€™ll be the man
So why you act like you donâ€™t understand
You hate the way I act when Iâ€™m faded of the yak
Why donâ€™t you try and state some facts
putting down my flaws all you do Is just attack

Yeah ,Thatâ€™s why we never rose
Thatâ€™s why we never rose
Iâ€™m busy in this lab man Iâ€™m tryin to get these oâ€™s
I never answer your calls that why you getting mad I suppose
â€œYou never even answer my calls â€œ
You mad , itâ€™s kinda mad how we all do it lowkey
Guy guy but I promise you donâ€™t owe me
Iâ€™m the new guy who lay it down like the old me

I pull
You push ,
I gained
You took
our love so strong now itâ€™s over so long yeah so long

I feel like whatever I say , wonâ€™t be good enough
I feel like whatever I say , wonâ€™t be good enough
I feel like whatever I say , wonâ€™t be good enough
I feel like whatever I say wonâ€™t be good enough

Love is painful , love is blind , love is joyful
Love is kind , love is honesty , love is true
Love is everything when Iâ€™m with you

I pull
You push
I gave
You took
Our love so strong now itâ€™s over so long so long

I feel like whatever I say wonâ€™t be good enough
I feel like whatever I say wonâ€™t be good enough
I feel like whatever I say wonâ€™t be good enough
I feel like whatever I say wonâ€™t be good enough
I feel like whatever I say
I feel like whatever I say
I feel like whatever I say
