## You'll Be In My Heart

## **Drew Seeley**

Come stop your crying It will be all right Just take my hand Hold it tight I will protect you from all around you I will be here Don't you cry For one so small, you seem so strong My arms will hold you, keep you safe and warm This bond between us Can't be broken I will be here Don't you cry 'Cause you'll be in my heart Yes, you'll be in my heart From this day on Now and forever more You'll be in my heart No matter what they say You'll be here in my heart, always Why can't they understand the way we feel They just don't trust what they can't explain I know we're different but,

deep inside us

We're not that different at all

And you'll be in my heart

Yes, you'll be in my heart

From this day on

Now and forever more

Don't listen to them

'Cause what do they know

We need each other,

to have, to hold

They'll see in time

I know When destiny calls you You must be strong I may not be with you But you've got to hold on They'll see in time I know We'll show them together 'Cause you'll be in my heart Yes, you'll be in my heart From this day on, Now and forever more Oh, you'll be in my heart No matter what they say You'll be in my heart, always Always
