

Skanky Love Song

Bracket

And I don't wanna go (x3)
And I don't want you to turn and run awayAnd I don't wanna die (x3)
And I don't want to have to live this wayThe times that you have left me
 Standing on my own
 Without you I've got no one
 I wish that you would just be
 With me when I'm alone
Lord, please don't say that we are doneAnd I don't wanna know (x3)
 And I don't want to find out where you have been
 And I don't wanna lie (x3)
And I don't want you to go back to himThe times that you have left me
 Standing on my own
 Without you I've got no oneI wish that you would just be
 With me when I'm alone
Lord, please don't say that we are doneWhy don't you think about it
 Let's give it a try
 You said you never would quit
 I don't know why
 Yeah-ehee-yeah-eyeah. . .And I don't wanna die (x3)
And I don't want to have to live this wayThe times that you have left me
 Standing on my own
 Without you I've got no oneI wish that you would just be
 With me when I'm alone
Lord, please don't say that we are done
