Ten Feet Tall

Afrojack feat. Wrabel

Happy I'm floating
Around on my feet now
You make me go dizzy
I'm weak at the kneesAs I feel like I'm walking
'Round a ten feet tall
I feel like I'm walking
'Round a ten feet tallWell, you say I'm faking
And I say don't worry
The way that I bubble
There's something in the makeAs I feel like I'm walking
'Round a ten feet tall
I feel like I'm walking
'Round a ten feet tallRight, the chemistry is right
This boy has reached his height
This feeling just goes on and on, and on, and on
From strength to strength, I'm ten feet longYeah, I feel like I'm walking
'Round a ten feet tall
I feel like I'm walking
'Round a ten feet tallBut I feel like I'm walking
'Round a ten feet tall
I feel like I'm walking
'Round a ten feet tallRight, the chemistry is right
This boy has reached his height
This feeling just goes on and on, and on, and on
From strength to strength, I'm ten feet longYeah, happy I'm floating
Around on my feet now
You make me go dizzy
I'm weak at the kneesAs I feel like I'm walking
'Round a ten feet tall
I feel like I'm walking
'Round a ten feet tallI feel like I'm walking
'Round a ten feet tall
I feel like I'm walking
'Round a ten feet tallI feel like I'm walking
'Round a ten feet tall
I feel like I'm walking
'Round a ten feet tallI feel like I'm walking
'Round a ten feet tall
I feel like I'm walking

'Round a ten feet tall
