Butterfly

Screaming Trees

Changin' memories, they fade away
The hours and the days
While in the sunshine, the sunshine bright
I kept you on my mindCry, cry butterfly
Heard it on wings that you're goin' to die
Cry, cry butterfly
Well I'm sick and I want to go homeTo an empty room
Four walls around, nothin' to be found
Of empty promises, in a lonesome town
Let me lay you downCry, cry butterfly
Heard it on the wings that you're goin' to die
Cry, cry butterfly
Well I'm sick and I want to go homeThe changin' memories, they fade away
In the hours in the day
While in the sunshine, the sunshine bright
I kept you on my mindCry, cry butterfly
Heard it on the wings that you're goin' to die
Cry, cry butterfly
And I'm sick and I want to go homeCry, cry butterfly
Heard it on the wings that you're goin' to die
Cry, cry butterfly
And I'm sick and I want to go home
Well I'm sick and I want to go home
That I'm sick and I want to go home
