

# Jingle Of A Dog's Collar

## Butthole Surfers

I was looking for the main line  
And I was, working through a friend of mine  
But I, couldn't seem to find the time,  
What do they know about love?  
What do they know about love?  
What do they know about love, my friend?  
What do they know about love?  
The jingle of a dogs collar  
Would be good right here  
The jingle of a dogs collar  
Would be fine  
The jingle of a dogs collar  
Would be good right here  
The jingle of a dogs collar  
Would be fine  
What do they know about love?  
What do they know about love?

What do they know about love, my friend?  
What do they know about love?  
The jingle of a dogs collar  
Would be good right here  
The jingle of a dogs collar  
Would be fine  
The jingle of a dogs collar  
Would be good right here  
The jingle of a dogs collar  
Would be fine

I was looking for the main line  
And I was, working through a friend of mine  
But I, couldn't seem to find the time,  
What do they know about love?  
What do they know about love?
