

Everything's Alright (2015 Remastered Version)

David Bowie

Oh, little baby
You know I've been away
Oh, little baby
You know I'll come today
Don't you know that Everything's alright (everything's alright)
Everything's alright
Everything's alright (everything's alright, babe)
Let me hold your hand and be your loving man (all night)
Let me hold your hand and be your loving man (all night)
Let me hold your hand and be your loving man (all night, alright!) Oh, little baby
You know I feel so good
Oh, little baby
I never knew I could
And don't you know that Everything's alright (everything's alright, babe)
Everything's alright
Everything's alright (everything's alright, babe)
Let me give you loving like nobody can (all night)
Let me give you loving like nobody can (all night)
Let me give you loving like nobody can (all night, alright!) Let me hold your hand and be your loving man
Let me hold your hand and be your loving man
Let me hold your hand and be your loving man No, no, no, no, no, that's a-lovin' you
(Must have been you, I'm gonna all night loving you)
No, no, no, no, no, I'll be good for you Everything's alright (everything's alright, babe)
Everything's alright
Everything's alright (everything's alright, babe)
Let me give you loving like nobody can (all night)
Let me give you loving like nobody can (all night)
Let me give you loving like nobody can (all night, alright!) Everything's alright
Everything's alright
