

# Everyone Says "Hi"

## David Bowie

Said you'd took a big trip  
They said you moved away  
Happened oh so quietly, they say  
Should've took a picture  
Something I could keep  
Buy a little frame, something cheap  
For you  
Everyone says hi  
Said you sailed a big ship  
Said you sailed away  
Didn't know the right thing to say  
I'd love to get a letter  
Like to know what's what  
Hope the weather's good and it's not too hot  
For you  
Everyone says hi  
Everyone says hi  
Everyone says  
Don't stay in a sad place  
Where they don't care how you are  
Everyone says hi  
If the money is lousy  
You can always come home  
We can do the old things  
(Doo wap wap wha oo)  
We can do all the bad things  
(Doo wap wap)  
If the food gets too eerie  
You can always phone home  
We could do all the good things  
(Doo wap wap wha oo)  
We could do it, we could do it, we could do it  
(Doo wap wap oooo)  
Don't stay in a bad place  
Where they don't care how you are  
Everyone says hi  
Everyone says hi  
Everyone says hi  
(Everyone says hi)  
And the girl next door  
(Everyone says hi)  
And the guy upstairs  
(Everyone says hi)  
Everyone says hi  
(Everyone says hi)  
And your mum and dad  
(Everyone says hi)

Everyone says hi  
(Everyone says hi)  
And your big fat dog  
(Everyone says hi)  
Everyone says hi  
(Everyone says hi)  
Everyone says
