

Un Lugar Celestial (a Heavenly Place)

Jaci Velasquez

Sometimes I realize when I gaze in the skies
This spinning world is not my home
A place of mystery, a land of destiny
Is where I know one day I'll go I dream of beauty I have never seen
I know the arms of Heaven wait for me
And yet I feel its sweetness here and now
In this life on earth I have found Un lugar celestial
Just a little bit of heaven sent from up above
Un lugar celestial
Where the presence of my Father holds me in His love
Un lugar celestial When all my skies are gray I simply steal away
Into my secret hiding place
When hearts are cold as ice
The breath of paradise blows warm and gentle on my face I know I need my time alone with Him
His healing waters flowing deep within
Don't have to wish upon a distant star
Cause the light of love fills my heart Un lugar celestial
Just a little bit of heaven sent from up above
Un lugar celestial
Where the presence of my Father holds me in His love
Un lugar celestial El cielo me llama
Caminando en las nubes
Dulce beso de libertad
Nubes de gloria Un lugar celestial
Just a little bit of heaven sent from up above
Un lugar celestial
Where the presence of my Father holds me in His love Un lugar celestial
Just a little bit of heaven sent from up above
Un lugar celestial
Where the presence of my Father holds me in His love
Un lugar celestial
