

# 500 Years

## Annie Humphrey

The sky isn't always blue  
The sun doesn't always shine  
It's alright to fall apart sometimes, mmm  
I am not always you  
And you are not always mine  
It's alright to fall apart sometimes

After all is said and done  
One and one still is one  
When we cry, when we laugh  
I am half, you are half

The heart isn't always true  
And I am not always fine  
We all have an angry heart sometimes

After all is said and done  
One and one still is one  
When we cry, when we laugh  
I am half, you are half

Look how far we have come  
One and one still is

One moon (one moon)  
One star (one star)

I love the one we are  
One thread (one thread)  
One line (one line)  
Let's stand still in time

One moon (one moon)  
One star (one star)  
I love the one we are  
One thread (one thread)  
One line (one line)  
That runs through our lives  
After all is said and done  
One and one still is one

When we cry, when we laugh  
I am half, you are half  
Look how far we have come  
One and one still is one ah  
Ooh
