

# Even Though You're Gone

## The Jacksons

Gotta find a way somehow  
Nothing's gonna stop me now  
Gotta find a way somehow  
Even though you're gone  
Even though you're gone  
Things don't look as bad  
As they did yesterday  
Even minute I get stronger  
Somehow some way  
'Cause I gotta keep on living  
I got the will to survive  
Even though I feel so bad  
So bad inside  
Gotta find a way somehow  
Nothing's gonna stop me now  
Gotta find a way somehow  
Even though you're gone  
All the plans I had  
I've got to give them up and start anew  
Making plans for one  
Instead of making plans for two  
From now on I'll be thinkin'  
Thinkin' 'bout myself  
It'll be a long, long time  
Before I love somebody else  
Gotta find a way somehow  
Nothing's gonna stop me now  
Gotta find a way somehow  
Even though you're gone  
I depended on you for everything  
Oh, I really trusted you

How could you do me the way you did  
You really let me down  
Gotta find a way somehow  
Nothing's gonna stop me now  
Gotta find a way somehow  
Even though you're gone  
Even though you're gone

Even though you're gone  
Even though you're gone  
Gotta keep livin' on  
Even though you're gone  
Even though you're gone  
Gotta move on, yeah  
She's gone away, she's gone away  
(She's gone away)  
She's gone  
Gotta keep movin' on  
She's gone away, she's gone away  
She's gone  
(Even though you're gone)  
She's gone away, she's gone away  
She's gone  
She's gone away, she's gone away  
She's gone  
(I gotta keep movin' on)  
Even though you're gone  
Even though you're gone  
Even though you're gone  
Even though you're gone
