

Dangerous

James Reid

Oh, oh, yeah, oh
Oh, yeah, oh
Oh, yeah, oh If love is what you want
Then girl I think you're lost
But if I am what you crave
Then I'm making it for you, babe 'Cause I don't wanna get caught up in something
If I can't see it through, oh no
I know you wanna see something in me
But I'll end up blinding you, oh no
You don't listen to your girlfriends
Even when they say I'm bad, say I'm bad
They be drippin', 'cause they don't wanna admit
That I'm the best they've had, best they've had
And if you, ooh
Wanna continue, ooh
Then I better want you, ooh
Then I'm dangerous Yeah, I'm dangerous
Yeah, I'm dangerous
Yeah, I'm dangerous
Yeah, I'm dangerous
I see it in your eyes
The pain you tryna hide
No, I'm not like those other guys
I'm a beast in the night
Ooh, I'll give you what you want
When the morning comes
It's not enough, oh no
Don't act like I never said that
Baby, I'm dangerous
Oh, I'm dangerous I don't trust myself
With somebody else
I don't trust myself
With somebody else
I don't trust myself
With somebody else
I don't trust myself
With somebody else Ooh, you don't listen to your girlfriends
Even when they say I'm bad, say I'm bad
They be trippin' 'cause they don't wanna admit

That I'm the best they've had, best they've had
And if you wanna continue, ooh (oh no)
Then I better warn you, ooh (I better warn you babe)
That I'm dangerous Yeah, I'm dangerous
Yeah, I'm dangerous
Yeah, I'm dangerous
Yeah, I'm dangerous
