Stop

[Natasha Thomas](#)

No matter what anyone says to you
You gotta be the one who makes up your own mind
'Cause you're the only one who really knows what's up
What's for real, you know, it's your choice, baby
Here we go, it's the story about me and you, that's rightWhen we were younger, growin' up together, we would talk
We'd share our problems and we'd call each other after dark
And you would tell me that she left you with a broken heart againI'd lie awake and I'd imagine I was holding you
Just like a sister, I'd be there to guide and comfort you
And I would play the fool just to see your smile again
Boy anything for youAin't nobody better
Ain't nobody closer to you
Ain't nobody ever gonna love you
Like the way I doHey, baby, stop what you're doin', I don't wanna waste my time
Stop this funny situation, boy, I've given you the signs
We can hit it if you wanna
But you really gotta make up your mind, boyHey, baby, stop what you're doin', boy, I'm hurting deep inside
Stop this funny situation, 'cause I've given you the signs
We can kick it if you wanna
But you gotta stop wastin' my time, boyGone are the days when it was simple easy livin' boy
We've both grown older and we've found our place within this world
But when I see you with her, it just keeps breakin' my heart againI wish that you could see the lovin' that I feel for you
'Cause each and every day is feelin' like deja vu
Just quit the playin', stop the teasin'
Boy, just give our love a chanceAin't nobody better
Ain't nobody closer to you
Ain't nobody ever gonna love you
Like the way I doHey, baby, stop what you're doin', I don't wanna waste my time
Stop this funny situation, boy, I've given you the signs
We can hit it if you wanna
But you really gotta make up your mind, boy'Cause, boy, I'm ready to spend my life with you
Put my trust in you, make my dreams come true
Baby, can't you see just what you do to me?
Give us a chance, just tell me, do you feel the same?Hey, baby, stop what you're doin', I don't wanna waste my time
Stop this funny situation, boy, I've given you the signs
We can hit it if you wanna

But you really gotta make up your mind, boyHey, baby, stop what you're doin', boy, I'm hurting deep inside
Stop this funny situation, 'cause I've given you the signs
We can kick it if you wanna
But you gotta stop wastin' my time, boyOh, baby, you gotta stop wasting my time
Ain't nobody better
