Nobody Else (T. Williams Remix)

Maya Jane Coles

I've seen so much
It seems so far for me
some of it
only seems like yesterday
I know i can be so cynical
I just listen to meI just rely on myself
I don't need nobody else
cause you're no good for my help
I don't need nobody elseI just rely on myself
I don't need nobody else
cause you're no good for my help
I don't need nobody else
I don't need nobody else
I don't need nobody else
I don't need nobody elseI am at home
It doesn't mean i feel alone
I am at home it doesn't mean i feel aloneIt's not that i only trust myself
It's sometimes i just don't wanna trust anybody else
It's not that i only trust myself
It's sometimes i just don't wanna trust anybody elseI just rely on myself
I don't need nobody else
cause you're no good for my help
I don't need nobody else
