

# My Turn To Cry

Exo

Well I was pretty young  
She was young and pretty  
I was so naive  
It was such a pity  
I said now baby dont you waste your time  
Just cryin for me  
I gotta go away for a while  
And you can be free And baby, baby, its my turn to cry  
Baby, baby, its my turn to cry I found a job  
And you found a lover  
Hed been married before  
But you needed the shelter  
When I told you to have a good time  
I think you took me all wrong  
Next thing I know youre engaged  
And a kid is coming along And baby, baby, its my turn to cry  
Baby, baby, its my turn to cry (Im sittin at home, watchin the walls  
My mouth is parched, my stomachs tight  
You said goodbye, you turned you back  
I guess you know whats right . . .  
Im sittin at home, watchin the walls  
Birdcage mouth, I lost the fight  
You said goodbye, you turned you back  
I guess you know whats right . . .) I found a job  
And you found a lover  
Hed been married before  
But you needed the shelter And baby, baby, its my turn to cry  
Baby, baby, its my turn to cry I said baby.. I said baby.. I said baby..  
its my turn to cry
