Fuck You

Toxic Lab Rats

Youâ€™re the thieves working above the law
Stealing, cheating with a devilsâ€™ claw
Making decisions that you always withdraw
Who the fuck do you think you are

Fucking liars without moral or shame
Common people you think is to blame
Why Oâ€™ why do we act so lame
Who the fuck do you think you are

Youâ€™re scum, youâ€™re thieves with obnoxious dreams
Fuck you
Youâ€™re sick, youâ€™re creeps with evil schemes
Fuck you

You promised gold on Election Day
We all know that is not the way
Do you really think that we should pay
Who the fuck do you think you are

Weâ€™re not stupid weâ€™re just too nice
But is it worth it, shall we pay the price
We donâ€™t have to vote you can roll the dice
Who the fuck do you think you are
