

Don't Leave Me This Way

Otis Redding

Don't leave me this way
I've got no other place to stay
Don't leave me this way right now
I've got no other place to stay
Don't leave me this way
I've got no other place to stay You throw my clothes out the house
And it's told me you didn't love me anymore
No, you throw my clothes out the door now
Told me you didn't love me anymore
Now don't leave me this way
Because I've got no other place to stay [Incomprehensible] You just, just, just tell me your mind
Don't you ever put me down
I want you to just tell me your mind, right now
And I don't want you to ever put me down now
Don't leave me this way
Because I've got no other place to stay
