Crystalised

The Stereoscopic Orchestra

Guy: you've applied the pressure
To have me crystallized
And you've got the faith
That I could bring paradise
Girl: I'll forgive and forget
Before I'm paralyzed
Do I have to keep up the pace
To keep you satisfied
Ahh ah ahh
Guy: things have gotten closer to the sun
And I've done things in small doses
So don't think that
Im pushing you away
Both: when you're the one that I've kept closest
Ahh ah ahh ah ahh
Ahh ah ahh ah ahh
Ahh ah ahh ah ahh
Ahh ah ahh ah ahh
Girl: you don't move slow
Taking steps in my direction
The sound resounds, echo
Does it lessen your affection
No oh oho oh..
Guy: you say I'm foolish
For pushing this aside
But burn down our home
I won't leave alive
Ahh ah ahh ah ahh

Girl: glaciers have melted to the sea
I wish the tide would take me over
I've been down on my knees
Both: And you just keep on getting closer
Ahh ah ahh ah ahh
Ahh ah ahh ah ahh
Ahh ah ahh ah ahh
Ahh ah ahh ah ahh
(Over lapping)
Girl: glaciers have melted to the sea
