Live On Your Smile

Ivy Lab

I can live on your smile.I can run, I can race,
I can live on your smile.
Not even wanna keep a few,
Even run any game.I can run, I can race,
I can live on your smile.
Not even wanna keep a few,
Even run any game.I can live on your smile.I can run, I can race,
I can live on your smile.
Not even wanna keep a few,
Even run any game.I can live on your smile.I can live on your smile.
