I'll Play The Blues For You

Albert King

If you're down and out and you feel real hurt
Come on over to the place where I live
And all your loneliness I'll try to soothe
I'll play the blues for youDon't be afraid come on in
You might run across some of your old friends
All your loneliness I gotta soothe
I'll play the blues for youI got no big name and I ain't no big star
I play the blues for you on my guitar
All your loneliness I'll try to soothe
I 'll play the blues for you
