Radar Detector

Darwin Deez

You and I buy star maps
and drive my car around Los Angeles
You and I buy star maps
and ding dong ditch a televangelistIt's only been a week
But I know that you are mine to keepYou are a radar detector
I drive 1,000 miles an hour
I won't go on and on
But you are always looking out for meYou and I go shopping
and find exactly what we're looking for
You and I go shopping and
fall asleep inside the mattress store.We cruise the neighborhood
But it's not supposed to feel this goodYou are a radar detector
I drive 1,000 miles an hour
I won't go on and on
you are always looking out for me becauseYou are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detector
You are a radar detectorYou are a radar detectorI drive 1,000 miles an hour
I won't go on and on, and on
you are always looking out for meWhen I'm driving, driving, driving around
you are a radar detector, you are a radar detectorWhen I'm driving, driving, driving around
you are a radar detector, you are a radar detectorWhen I'm driving, driving, driving around
you are a radar detector, you are a radar detector...
