

# Know Your Rights

## The Clash

This is a public service announcement  
With guitar  
Know your rights all three of them Number one  
You have the right not to be killed  
Murder is a crime  
Unless it was done  
By a policeman or aristocrat  
Oh, know your rights And number two  
You have the right to food money  
Providing of course you don't mind a little  
Investigation, humiliation  
And if you cross your fingers  
Rehabilitation Know your rights  
These are your rights  
Hey said, "Wang"  
Oh, know these rights Number three  
You have the right to free speech  
As long as you're not  
Dumb enough to actually try it Know your rights  
These are your rights  
Know your rights  
These are your rights  
All three of 'em And it has been suggested in some quarters  
That this is not enough!  
Well Get off the streets  
Get off the streets
