

Out of the Fire

Audio Adrenaline

I hear the lies of the enemy
Draw me into captivity
I know this is not how it's meant to be
I gotta break free
I gotta break free
I want the world to know
There is an anecdote
A cure for this disease
You are the remedy
You are the remedy Out of the fire
Pull me into the river
Out of the fire
Only You can deliver me
From myself, my soul is singing oh
Out of the fire
Pull me under the water
Into the life
Only Your love can offer me
My God, my soul is singing oh There is an absolute
A healing for these wounds
A love that's guaranteed
You are the remedy
You are the remedy Out of the fire
Pull me into the river
Out of the fire
Only You can deliver me
From myself, my soul is singing oh
Out of the fire
Pull me under the water
Into the life
Only Your love can offer me
My God, my soul is singing oh You take my sin
I breathe You in
You take my sin
I breathe You in Out of the fire
Pull me into the river
Out of the fire
Only You can deliver me
From myself, my soul is singing oh

Out of the fire
Pull me under the water
Into the life
Only Your love can offer me
My God, my soul is singing oh
