

Spotlight

[Dan Talevski](#)

Girl you will be the center of attention
My number one object of affection, yeah
Girl you will be the only one imagine
Cause youre the definition of affection
youre hot as the sun, yeah, you light up the moon, yeah
And its good for you girl I want let you
Love in the spotlight, be my rockstar baby Im your number one fan
Put your love in the spotlight, love in the spotlight
Like a movies star girl we can make a love scene
Put your love in the spotlight, love in the spotlight
Be my super model, my
Ill make you feel like a superstar yeah, a superstar
The only one in my heart
Love, love, love
I gotta get your love, love, love
So can I have that love, love, love?
I gotta get that love, love, love
In the spotlight, in the spotlight, yeah Girl I can in my favorite magazine
On my hot list of girls I gotta get, uh yeah
You deserve the best of the best, Ill be the greatest love you ever had, yeah
youre hot as the sun, yeah, you light up the moon, yeah
And its good for you girl I want let you
Love in the spotlight, be my rockstar baby Im your number one fan
Put your love in the spotlight, love in the spotlight
Like a movies star girl we can make a love scene
Put your love in the spotlight, love in the spotlight
Be my super model, my
Ill make you feel like a superstar yeah, a superstar
The only one in my heart
Love, love, love
In the spotlight, baby
I gotta get your love, love, love
It is all I wanna do is get you in that spotlight
Love, love, love
Gotta get you in my world
I gotta get that love, love, love
In the spotlight, in the spotlight Got me chasing you like paparazzi
Got you in my focus aint no stopping me
Picture there, me and you, looking up, as we talk

And I dont really youre the only one for me
Girl you know its all about you
Put your love in the spotlight, drop in the spotlight
Be my rockstar baby, Im your number one fan
Put your love in the spotlight, drop in the spotlight
A movie star, we can make a love scene
Put your love in the spotlight, love in the spotlight
Be my supermodel, my
Ill make you feel like a superstar, yeah like a superstar
The only one in my heart
Love, love, love
Now throw your hands up if you want this
Girl, girl, girl,
So keep your hands up cause you got
Girl, girl, girl
So what you wanna do girl its up to you
Love, love, love
In the spotlight, in the spotlight, yeah.
