# LUCIDITY (MY DRY WET MESS REMIX)

## Tame Impala

I know where you went but I don't know how you got there
I know where you went but I don't know how you got there Silver tongue hill where you talk up what I'd play down
I would speak up but I wouldn't know what to sayTo sayOh, to sayLucidity, come back to me,
Put all five senses back to where they're
Meant to be, oh, it's hard to tell
It breaks down, where there's a will, there is a wayWondering around like spare time never knew it
I might suck fizzle or I might just float awayFloat awayAnd we'll go running off tonight,
High above, where we won't even need to reach the sky
My love, oh, there will be a change
In the air, nobody will be anybody elseLucidity, come back to me,
Put all five sense back to where they're
Meant to be, oh, where we'll go
Tiptoe, tread boldly right down to the lair
