

# Felt This Good

## Kap Slap

Oh, I wish I had something better to say than  
I never meant to, meant to make your heart break, but  
That'd be a lie, lie, that'd be a lie  
My favorite part was when you started to cry  
And if what goes around, 'round, comes back around, then I  
Just earned myself a karma, karma crown, but I  
Don't even care, care, care right now  
I haven't felt this good in a while  
I haven't felt this good in a while  
Oh, I wish I had something better to do than  
Waste my time with revenge over you, but  
That'd be a lie, lie, that'd be a lie  
It felt good when you started to cry  
And if what goes around, 'round, comes back around, then I  
Just earned myself a karma, karma crown, but I  
Don't even care, care, care right now  
I haven't felt this good in a while  
I haven't felt this good in a while  
When we went down, we went down swinging  
Chewing on glass, with a bittersweet smile  
And when we got up, well we started singing  
I haven't felt this good in a while  
When we went down, we went down swinging  
Chewing on glass, with a bittersweet smile  
And when we got up, well we started singing  
I haven't felt this good in a while  
I haven't felt this good in a while
