Permanence

Very Secretary

Everything is as cold as ice
Everything is as dead as life
Take another as screaming eyes
Take another as curled up cries ofShallow
Hating
Vision
FadingPermanence it's
Permanence it's
Permanence it's
Permanence it'sScarred and scared you crawl across
Everything is as no one thought and
Echoes cover your spirit size
Echoes ring on your sweating cries ofShallow
Hating
Vision
FadingPermanence it's
Permanence it's
Permanence it's
Permanence it'sPermanence it's
Permanence it's
Permanence it's
Permanence it's goneSacred rituals I comply
Cold and curdled are my insides but
Everything is as this surprise
Everything is as curled up cries ofShallow
Hating
Vision
FadingPermanence it's
Permanence it's
Permanence it's
Permanence it'sPermanence it's
Permanence it's
Permanence it's
Permanence it's gonePermanence
Permanence
Permanence
Permanence
