

Yeah (Maurice Joshua Mix)

Yolanda Adams

Can I be committed is the question in my head
all the issues in my life keep holdin' me back
can I live up to the standard seems so hard to do
but then you tell me take my hand you'll help me make it through ooohh You ask me child do u love me
and I say yeah yeah yeah
but will you just give up everything
and follow me yeah yeah yeah. We talk periodically, it should be everyday
can imagine how it would be if i let you lead the way
no broken hearts, less scars, less roads that never have an end
so I'll throw away my pride let down
my guard lord hear I am ooohhh. You ask me child do u love me
and I say yeah yeah yeah
(but will u just) but will
you just give up everything
and follow me yeah yeah yeah. When I just stop and think of all that you've done for me
How can I say anything but yeah(yeah)yeah(yeah)yeah(yeahhh) You ask me child do u love me
and I say yeah yeah yeah
but will you just give up everything
and follow me yeah yeah yeah. You ask me child do u love me
and I say yeah yeah yeah
but will you just give up everything
and follow me yeah yeah yeah. You ask me child do u love me
and I say yeah yeah yeah
but will you just give up everything
and follow me yeah yeah yeah.
