So Deep

Jim Verraros

Tired of all the same damn tricks
Don't know how to use what they got
I wanna play some games, use some toys
No teasin', just pleasin', yeahTake me up to your room
I wanna see what you can do
Throw me on the bed and tie me up
Handcuffs 'till I can't get enoughI wanna go so deep
It hurts so good and I wanna be so bad, yeah
Don't stop until you get so deep
Keep going 'til you get so deepMove faster, baby, harder
I wanna feel you inside me, yeah
Pulling your hair, gaspin' for air
Sweatin' so hard I can't see, yeahTake my arms up above me
You're making me moan 'cause I'm so hungry
Bite me, tease me, use your tongue
Don't worry 'cause I'm not gonna runI wanna go so deep
It hurts so good and I wanna be so bad, yeah
Don't stop until you get so deep
Keep going 'til you get so deepI'm almost there, baby, please don't stop
I can get there faster when you're on top
Go deeper baby, deeper, deeper, yeah
I think I'm gonnaI wanna go so deep
It hurts so good and I wanna be so bad, yeah
Don't stop until you get so deep
Keep going 'til you get so deep
