Faith (Geedai Rework)

Calvin Harris

I need a little space in my mind
I need that little hope I can find
I need a little, I need a little FAITH
Is that too much to ask for?!
I need to feel my soul come alive
I need to feel the strength to get by
I need a little, I need a little FAITH
Is that too much to ask for?!
Too much to ask for?
Too much to ask for?
Too much to ask for?
I need a little space in my mind
I need that little hope I can find
I need a little, I need a little FAITH
Is that too much to ask for?!
I need to feel my soul come alive
I need to feel the strength to get by
I need a little, I need a little FAITH
Is that too much to ask for?!
Too much to ask for?
Too much to ask for?
Too much to ask for?
I need a little faith
I need a little faith
I need a little faith
Is that too much to ask for?
I need a little faith
I need a little FAITH
I need a little FAITH
Is that too much to ask for?!
Too much to ask for?
Too much to ask for?
Too much to ask for?
